At 9:30 a.m. on 16 August. A train carrying 12 m 122-mm field howitzers, an undetermined number of caterpillar tractors and trucks with covered numbers and five boxcars with troops wearing red-bordered black epaulets including some with artillary insignia were unloaded.

Between 8 and 9 p.m. on 18 August. Firing of 5 or 6 light AA gurs at a single-engine aircraft towing a sleeve target at an altitude of between 1,000 and 1,500 neters. Then the aircraft approached, five searchlights took up action and converged as seen as one of them had found the target. Pive or 6 light AA gurs consecutively fired at the toxed sleeve target. Heavy AA gurs subsequently fired several shots.

At h a.m. on 19 August. Arrival of a train carrying 15 x 122-mm field howitzers and including several boxcars with troops. Fifteen 122-mm field howitzers towed by 10 caterpillar tractors and 5 trucks passed through Degraitz at 5 p.m. proceeding to the camp.
